Transportation

The Board of Trustees may provide for the safe and efficient transportation of students to and from school as necessary to ensure student access to the educational program, promote regular attendance and reduce tardiness. The extent to which the district provides for transportation services shall depend upon student and community needs and a continuing assessment of financial resources.

- (cf. 3100 - Budget)
- (cf. 3250 - Transportation Fees)
- (cf. 3541 - Transportation Routes and Services)
- (cf. 3541.1 - Transportation for School-Related Trips)
- (cf. 3541.2 - Transportation for Students with Disabilities)
- (cf. 5116.1- Intradistrict Open Enrollment)
- (cf. 5117.1 - Interdistrict Attendance Agreements)
- (cf. 5117.2 - Alternative Interdistrict Attendance Program)

The Superintendent or designee shall recommend to the Board the most economical and appropriate means of providing transportation services, if financially feasible.

The Superintendent is authorized to contract with the Fullerton Union High School District or other like carrier for transportation services for those students designated by the Board of Trustees

All contracted transportation of students shall be in school buses that meet the definitional requirements stated in Education Code 39830 and which are also in compliance with inspection requirements specified in the Vehicle Code and administered by the California Highway Patrol.

Students may also be transported in vehicles owned by members of the staff under emergency conditions.

The Superintendent or designee shall develop procedures to promote safety for students traveling on school buses.
