Dress and Grooming

The Board of Trustees believes that since teachers serve as role models, they should maintain professional standards of dress and grooming. Just as overall attitude and instructional competency contribute to a productive learning environment, so do appropriate dress and grooming.

The Board encourages staff during school hours to wear clothing that demonstrates their high regard for education and presents an image consistent with their job responsibilities. The Superintendent or designee shall be responsible for evaluating and supervising the appropriateness of employee dress in accordance with the agreement with the Lowell Joint Education Association and the California School Employees Association #294 as depicted in AR 4119.22 (a) and (b)
