Transfer of Students for Disciplinary Reasons

The Superintendent or designee, upon recommendation of a student's principal, may administratively transfer a student from his/her school of residence or from any other school to another school in the district. The transfer may be in lieu of or in addition to a suspension of the student from all schools in the District. Prior to the transfer becoming effective, the student's parents shall be given not less than five (5) days' notice of the transfer and the reasons for the transfer. The parents/guardians shall also be informed that they shall be responsible for the transportation of the student to and from the new school location. The parents/guardians may request a conference with the Superintendent or designee and the principal concerning the reasons for and the appropriateness of the transfer.
