Safety

The Board of Trustees recognizes the importance of providing a safe school environment in order to help ensure student safety and the prevention of student injury. The Superintendent or designee shall endeavor to implement appropriate practices to minimize the risk of harm to students, including practices relative to school facilities and equipment, outdoor environment, educational programs and school-sponsored activities.

Staff shall be responsible for the proper supervision of students during school hours, and, where appropriate, at school-sponsored activities and while students are using district transportation to and from school.

The principal or designee shall establish school rules for the safe and appropriate use of school equipment and materials and for student conduct consistent with law, Board policy and administrative regulation. Copies of the rules shall be sent to parents/guardians and be readily available at the school at all times.

The Superintendent or designee shall ensure that students receive appropriate instruction on topics related to safety, injury prevention and disease prevention.
