Guidance/Counseling Services

The Board of Trustees recognizes that a comprehensive counseling program can help promote academic achievement and serve the diverse needs of all District students. Counseling staff members shall be available to meet with students to discuss academic, social, or personal difficulties, as well as other issues that may impact student learning.

Academic and Career Counseling

The District's academic counseling program shall help students establish immediate and long-range educational plans, achieve academic standards, prepare for the high school exit examination, and complete the required curriculum in accordance with the students individual needs, abilities, and interests. In so far as possible, parents/guardians shall be included when making educational plans.

(cf. 1220 - Citizen Advisory Committees)

(cf. 6011 - Academic Standards)

(cf. 6020 - Parent Involvement)

Counseling staff members shall help all students plan for the future and become aware of their career potential. Academic planning for higher education shall include information about courses needed for admission to colleges and universities, standardized admission tests, financial aid, and scholarships.

(cf. 5022 - Student and Family Privacy Rights)

Crisis Counseling

The Board recognizes the need for a prompt and effective response when students are confronted with a traumatic incident. School counselors shall assist in the development of the comprehensive school safety plan, emergency and disaster preparedness plan, and other prevention and intervention practices designed to assist students before and after a crisis.
