2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Rancho-Starbuck Intermediate School is located in the unincorporated area of southeast Los Angeles County. We are part of the Lowell Joint School District and serve over 780 students in 7th and 8th grade. Rancho-Starbuck was constructed in 1958 and has enjoyed continuous upgrades and maintenance over the years. Our school offers a well stocked, upgraded library and 1:1 chromebooks for every student using the Google platform. Our Science, Technology, Engineering, and Mathematics (STEM) lab is complete with 30 computer work stations and professional engineering software. Our STEM lab and Art Department use a 3D printer for instructional purposes. All classrooms are fitted with projectors and TV screens or View Sonic boards. Our technology is regularly updated including document cameras in every classroom. Aeries, a parent/student portal, keeps students and parents regularly updated regarding student progress.

The staff at Rancho-Starbuck School currently has 29 fully-credentialed teachers teaching in their subject area and one part-time educator. Our school team consists of two STAR resource center specialists, one moderate Special Day Class (SDC) classroom, a school psychologist, a part time English Language Development (ELD) teacher, a speech and language specialist, a part time choral music teacher and an instrumental music teacher. There are two administrators: a principal and assistant principal. A full time academic counselor is on staff. Additional support is provided by an office manager, school clerk, attendance clerk, a part-time health clerk, full-time librarian, two STAR Center aides, instructional aides, three custodians, five noon duty aides and multiple days of counseling intern support.

Rancho-Starbuck Intermediate is known for its safe and orderly learning environment. The record of suspensions/expulsions is low and the school institutes a comprehensive school safety program. The staff places a high priority on developing responsible citizens through our Character Education and Responsibility * Effort * Attitude * Character * Honor (REACH) programs. Through this program, we emphasize the importance of each of these themes and we recognize students for their achievement. In addition to Rancho-Starbuck's strong academic program, we continue to provide outstanding programs in technology, music, art, drama, and a variety of elective offerings. Our instrumental music program is an award winning program receiving the Golden Bell award in the 2019-2020 school year. Rancho-Starbuck offers a STEM program complete with a technology lab and offers classes in Robotics, Advanced Computer Science and Music Production. Rancho-Starbuck also offers Design and Construction, a course where students actually design and build, getting a glimpse of future careers in construction. Rancho-Starbuck is proud to that our Advanced Computer Science course prepares students to take the AP Computer Science test at the end of the year. Each year we have junior high students pass the high school AP test, receiving college credit.

Our school offers a variety of leadership opportunities for students through our active ASB program. After school curriculum enrichment activities help to keep students involved and encourages each student to develop skills and interests including Jazz Band, Drumline, and Robotics. Additional after school opportunities include Science Olympiad, Junior Achievement, Competitive Drum Line, Yearbook and National Junior Honor Society. A mentoring program called REACH Circle offers students an opportunity to enjoy a mentor relationship with school staff and an opportunity to offer community outreach opportunities. After school sports offers our students another way to get involved on campus. A variety of after school sports are offered during three sport seasons. Rancho-Starbuck believes in fostering a school wide college atmosphere.

All students have an opportunity for success at Rancho-Starbuck. Flex, an award winning program, provides students the opportunity to have additional instruction during the school day. Students are also offered additional enrichment classes once standards are mastered. Learning Targets in core subjects help monitor student progress on state standards. Before school tutoring through Power Start is offered to all students. Intervention classes during the school day are offered in Math, ELD support for our Language Learners and a reading intervention class using Read 180 curriculum. Pathway classes during the school day also offer targeted academic support as well as motivation and executive functioning support for struggling students. Literacy is promoted across the campus, and there is a school wide focus on California State Standards and 21st century learning with an emphasis on writing skills through Thinking Maps and Write from the Beginning. The mission statement promotes the development of character, passion and academic excellence in all students. These characteristics are promoted in all areas on the Rancho-Starbuck campus. In addition, Honors students are offered an opportunity to be part of The Academy and/or the Conservatory of Fine Arts. Through this extension activity students will complete an 8th grade Capstone Project where their imagination and creativity can help them soar to new heights.

Rancho-Starbuck is proud to be a California Distinguished School, Gold Ribbon School and a four time recipient of the California Business for Education Award of Excellence. Rancho-Starbuck is a 2017 National School to Watch and a 2019 and 2020 Golden Bell recipient. Rancho-Starbuck has also been re-designated a national School to Watch in 2019-2020. Our staff is dedicated and nurturing; Rancho-Starbuck is a wonderful school!

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Rancho-Starbuck Intermediate School was built in 1958, and there are 44 classrooms on campus. We believe a safe and clean school is a fundamental necessity of a successful academic environment. Our Maintenance Department is proud to impart solutions and services integral to providing a safe environment conducive to learning. Safety inspections are held annually to ensure the maintenance of an optimal learning environment. The campus is well-manicured and lockers are refurbished yearly. Murals inside and outside of the campus add spirit and beauty to the campus. Front landscaping provides a welcoming appeal. Campus beautification is ongoing because we believe the appearance of our campus is important!

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Our parents work closely with Rancho-Starbuck Intermediate School to promote a positive environment and assist with the activities that make Rancho-Starbuck an exciting place to be. Our parent portal keeps parents regularly updated on individual student progress and school wide activities. We believe in the importance of strong parent partnerships on campus, and we are proud of our excellent Parent Teacher Association (PTA). We welcome our families through School Site Council (SSC), PTA, REACH, after school sports, and a variety of other parent involvement opportunities including Junior Achievement and Science Olympiad. Parent University, our 4 parent nights presented on campus each year, helps parents with cyber safety and social media, drugs and vaping education, college entrance, suicide prevention and social-emotional health and general academic and school success. With COVID impacting the ability for parents to be on campus regularly, many opportunities have been presented using the platform of Zoom to keep parents involved and engagement in their child's education.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Rancho-Starbuck believes that there must be a safe and orderly school environment for optimum learning to take place. School rules are clearly communicated to both students and parents. There is a school-wide discipline plan and school rules are fairly and consistently enforced.

The campus is fully fenced to give protection from intruders. All visitors are asked to wear a visitor badge and sign in and out of the school through the use of the Raptor system. Rancho-Starbuck has monthly fire drills, quarterly earthquake drills, lock down drills, and the staff is trained in emergency procedures. We take a proactive approach to safety and include canine drug prevention visits to campus.

The School Safety Plan is annually reviewed and updated. The following implementations endorse the plan: campus emotional, moral and practical assistance such as guidelines for discipline, a strictly enforced dress code, and counseling support for social and emotional wellness. Through a myriad of support services including social/emotional lessons using the Olweus Bullying program (Kindness Campaign), students are given a voice on campus and the opportunity to problem solve and provide suggestions for improvement. Rancho-Starbuck also uses the CoVitality Universal Screener to take a proactive approach to student social-emotional wellness. This, along with an all staff effort to support students and an active parent support system, helps Rancho-Starbuck meet the needs of all students regarding safety and emotional health and wellness.

2020-21 Types of Services Funded

Title II funds are designated to improve teacher quality and increase the number of highly qualified teachers. The program focuses on research based strategies to prepare and train highly qualified teachers. Title III funds are designated to ensure that students attain English proficiency and meet the same challenging academic achievement standards required of all students. Funds are used for translation, support services, instructional aides, supplemental books, and conferences. Supplemental dollars also traditionally fund before and after school tutoring/homework help, an Intervention Coordinator to monitor and support struggling students, the school Counselor, additional intervention courses in English Language Arts, Mathematics, and English Language Development as well as support for STEAM and AP Computer Science.

Professional Development

All staff members participate in district-level staff development throughout the year. GATE training, iReady Training and Thinking Maps Training are an area of focus for the teachers with an emphasis on writing. Professional development on California State Standards and implementation strategies are also on-going. Extensive training on Next Generation Science Standards has resulted in implementation of those standards in an integrated approach. School departments meet regularly to focus on the standards and provide differentiated instruction to our students. Staff members attend various professional development opportunities in their subject area and on overall student motivation at the junior high level. Truama informed teaching education has also been provided for teachers. Rancho-Starbuck is a professional learning community that believes in the importance of staff collaboration. Weekly PLC staff collaboration helps create opportunities for staff to focus on student needs. The focus of staff development is always centered on student success at Rancho-Starbuck.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
