The information contained in this Addendum shall become part of the Bid Documents for the above-mentioned project. Where a discrepancy occurs between the original bid documents and the addendum, the addendum language shall prevail.

Question #1:

Would the District be responsible for packing books from bookshelves in the classrooms and library?

District Response:

The awarded contractor is responsible for removing the books and furniture from the classrooms and library.

Question #2:

Would the Contract have full access to the campus, or would there be students/staff on-site?

District Response:

The awarded contractor will have full access to the areas being abated. There will be no students and very minimal staff on-site during the project.

Question #3:

Would the District unplug and plug all IT in the jobsite?

District Response:

If it is necessary to unplug any IT during the project, District staff will unplug devices.

Question #4:

Would the District be responsible for all third-party post-abatement testing?

District Response:

The awarded contractor will be responsible for the demolition, testing, abatement, and monitoring of any hazardous materials encountered under the scope of this project.
