## LYNBROOK SCHOOL DISTRICT'S DRIVER EDUCATION PROGRAM

### ABOUT THE COURSE

A complete, professionally taught Driver Education Course that will provide the students with a comprehensive introduction to the driving experience. These experiences will include; "rules of the road", traffic safety concerns, defensive driving, proper handling of a vehicle, driving in traffic, and problems of substance abuse as related to driving. Students must complete 24 hours of in-car instruction (**6 hours behind the wheel**\*/18 hours of observation) and 24 hours of classroom training and receive a passing grade of 65 or higher in each category. This course is not intended to bring a new driver to higher levels of driving performance without adequate practice time outside course hours. Nor is this course designed to spend more time than is required to cover the basic elements of the NY State road test.

### WHAT THE COURSE OFFERS

Students will receive an MV-285 (Course Completion Certificate) from the district in the mail 3-4 weeks after the completion of the entire course. This provides an insurance reduction to students who qualify; and a driver's license Class D at age 17 upon successfully passing the NY State road test & submitting their MV-285 to DMV. MV-278s (5 Hour cards) MAY be issued by the lecture instructor during the course, IF available and time permits.

### ELIGIBILITY

Students must be 16 by the first day of the program. Students must also acquire a NY State Learner's Permit (MV-100) before the first class.

### COST

\$695.00 for students within the district, \$795.00 for students outside the district, payable by check made out to the Lynbrook School District. There will be a \$35.00 fee for any returned checks.

### REFUND POLICY

If a student can not be accommodated because classes are filled, all monies will be refunded. If a student is scheduled for classes, they may make a formal schedule change request at the schedule posting date. If a student makes a schedule change request at that date and can not be accommodated, all monies will be refunded. **In any case, once classes begin, no tuition refund will be authorized.**

### ABSENCES/MAKE-UPS

By Lynbrook School Education regulations, a student is allowed to make-up no more than 3 absences in car **AND** 3 in lecture class. **All absences must be made up.** It is the student's responsibility to make arrangements with, and obtain prior approval from, the regular driving and/or lecture instructor to proceed with any make-up assignments. More than 3 absences in either class (not combined) will result in the student failing the course. **There are no "excused" absences.** Absences due to illness, bereavement, SATs, ACTs (and other tests), **are all still considered absences.**

### STUDENT OBLIGATIONS

- 1) I will always obey all New York State vehicle and traffic laws.
- 2) I understand that I must successfully complete **both** the road and theory portions of the course in order to receive a MV 285 (formerly known as a "Blue Card").
- 3) I will conduct myself at all times in both car and lecture classes in a responsible manner.
- 4) **I understand that all cell phones, pagers, etc., must be turned off during both in-car and lecture classes.**
- 5) I understand the Absence/Make-up section of this application.
- 6) I understand that in order to take advantage of the road portion of the course that I must gain additional practice time with my parent/legal guardian during approved hours.
- 7) **I understand that 50 hours\* of supervised driving is required (MV-262) when applying for a license under the age of 18.**
- 8) In the event of a collision during the conduct of the car class, I will give a full and detailed statement to the driving school regarding that collision.
