July, 2022

Dear Incoming KC Parents/Guardians,

WELCOME to the Lynbrook Kindergarten Center's graduating class of 2023!

I hope you are staying safe, healthy and enjoying the summer sunshine. As we move forward and close the chapter of another school year, we are focused on the beginning of a new school year. You will receive your classroom teacher assignment and bus information after August 19th. Along with your teacher assignment, it will be noted if you are in Group A or Group B. I would like to share some important information pertaining to our Open House on Monday, August 29th:

Students attending Open House

One adult is invited to join their child on the bus for Open House. *(Bus schedule, pick up & drop off times will be in the August mailing.)

Date: Monday, August 29, 2022

Group A 9:30-11:00 AM

Group B 1:30-3:00 PM

Open House at the KC is an informal time for you and your child to become familiar with our building. Please spend time in your child's classroom, meeting new friends. During this time you will have the opportunity to meet with Central Administration. Mrs. Linda Artusa, our school nurse will be present during Open House to collect medications, Epi-Pens, medical forms and any other information you may need to share. Classroom teachers **will not** be present during Open House. I am so excited to meet my new families and welcome back our returning families.

If you ordered school supplies on-line, your school supply kit will be delivered to the KC mid-August. You will receive notification for pick up on a specific date and time.

Keep smiling and enjoy your summer.

Sincerely,

Mrs. Ellen Postman
Principal
