

**Cancellations:** When school is not in session, Driver Education classes are not scheduled. If classes are cancelled, i.e. snow, the cancellation message will be posted on the district website.

**Absences/Make Ups:** The New York State Education Department Guidelines for Driver and Traffic Safety Education require a minimum of 24 clock hours of classroom instruction (lecture) and 24 clock hours of laboratory (in-car) instruction. This means that a student must attend all 48 hours of the program in order to receive a Certificate of Completion (MV-285).

If a student misses a lecture or driving class, **the student is responsible to make up that session**. A student is not permitted to miss more than three classes. Missing more than three lectures or driving sessions, will result in student failure. Tuition **will not** be reimbursed.
