Note: All levels of classroom discipline should be documented in Bloom. For Infractions that start as a Class 2 or higher, as stated in our student code of conduct, the student may be sent to the office with an office disciplinary referral and be excluded from the classroom; however, before referring a child with disabilities to the office for exclusionary discipline, I must first ensure that I have complied with the student’s Individualized Education Program (“IEP”), Section 504 Plan, or Behavior Intervention Plan (“BIP”).

Cell Phones

Cell phones and earbuds/headphones will not be allowed to be used during classroom instruction time. Phones and earbuds/headphones will be put away in a location designated by the teacher and placed in silent mode. In secondary schools, students will have access to their phones and earbuds/headphones outside of classroom instruction time, such as between classes and during lunch, but devices should be put away when students are in the serving line. Failure to follow these procedures will result in a disciplinary referral to the office.
