Early Beginnings Preschool Program  
Pre-Registration**

The Early Beginnings Preschool Program is a preschool program that supports students with and without special needs. The program follows the Opening the World of Learning (OWL) curriculum and Alabama's Standards for Early Learning and Development to provide an exceptional learning experience for its students. Typical peer models are chosen for this program through random selection.

- ❖ The Early Beginnings Preschool programs are accepting online pre-registration applications for typical peer models for the 2023-2024 school year beginning January 15, 2023.
- ❖ Enrollment is open to children four years of age on or before September 2, 2023 who are residents of Madison City Schools District.
- ❖ Students that qualify for a disability and qualify for special education services will be served based on their needs starting as early as their 3rd birthday.
- ❖ There is no fee for registration or participation in the Early Beginnings Preschool Program.
- ❖ Upon acceptance and enrollment in the Early Beginnings Preschool Program, enrollees must complete all required registration.
- ❖ If you need assistance with accessing the online pre-registration application, contact Jenny Drake via email at [jndrake@madisoncity.k12.al.us](mailto:jndrake@madisoncity.k12.al.us) or by phone at 256-774-4690
