- Use partner numbers to show numbers to 5.
- Use number bonds to show the parts and the whole for numbers to 5.
- Model putting together and taking apart the parts to show the whole.

Important Information

It is hard to believe a fourth of our school year is already over! Report card assessments were completed before Fall Break. Report Cards are coming home in Report of Learning Folders on Thursday, October 10th. These will need to be signed and returned to school by Monday, October 14th. Please make a copy of the Report Card for your reference. This will help you know what to focus on when working with your child at home. Even if you do not have a scanner/copier, you can snap a picture of the report with your phone.
