### November Challenge:

Play outside at least 10 minutes each day.  
If it is raining, just add those 10 minutes to the next nice day.

If your child successfully completed this month's challenge, let me know when we return from Thanksgiving Break on December 1st.

### Reading:

Phonological Awareness Skill: blending and segmenting onset and rime (/h/-/op/ or /j/-/et/)

Phonics: identifying and writing letter Ll, Rr, and Oo and their sounds (short vowel o)

Sight Words: are, little, with

Vocabulary Words: bundle, loads, stilts, native, welcome, space, cabin, centuries, sturdy, fold

Comprehension: Ask and answer questions about unfamiliar words in text

### Math: Big Ideas Chapter 6 - Add Numbers Within 10

Students will tell how many objects there are to start, how many objects are added to a group, and how many objects there are in all.

Students will tell what a plus and equal sign mean and explain an addition sentence.

Students will write an addition sentence.

Students will write an addition sentence using partner numbers.

### Important Information

We have 7 school days remaining before we take our mid-year benchmark assessment for mClass DIBELS. How can you help your child benchmarks on this assessment?

- Do the Letter Naming and phoneme segmentation boxes on the Practice Sheet.
- Listen to your child read the blending words each day.
- Use sight word flashcards for a quick way to review sight words daily.
- Spend time reading to your child and limit time on technology.
- Ensure your child gets 10-12 hours of sleep each night.
