

Chromebook Summer Care

Do

- Use it to design, create, or explore
- Use it for [summer learning opportunities](#)
- Power it off completely when you aren't using it
- Keep it in a cool, dry area
- Keep your charger with it
- Bring it back to school next year*

Don't

- Take it on vacation with you
- Eat food or drink around your device
- Lose it

***Leaving Madison during the summer?
Drop off your Chromebook and charger at
your school before you leave!**

**Having trouble with your device? Click to
[submit a help desk ticket](#).**

**Remember it's always important to
export any projects you created on your
school account . You can use
[Google Takeout](#) to do this easily.**
