

Madison City Schools Student Survey 2022-2023

This year Madison City Schools launched our new Strategic Plan based on input from stakeholders through committees and surveys. In an effort to reflect on our practices, the district will continue to survey faculty, staff, students, and parents. The results of this survey will be shared with our staff as we use this feedback to set goals at the district and school level. Please note that your responses will remain confidential. As students in Madison City Schools, we appreciate your participation with this survey so we can continue to provide the best education for each of you.
