Textbook Information	N/A
Course Description	Math Meets Art is an elective in which the students explore mathematical concepts and their relation to art. During this course students will explore two- and three-dimensional geometry, the Fibonacci sequence, Sierpinski's triangle, fractals, and Pythagorean's snail. Additionally, the students will learn about transformations and circles and apply their understanding to their art.
Course Objectives	To reflect on various mathematical concepts in their art.
Course Outline	Module 1: 2D Geometry Module 2: 3D Geometry Module 3: Mathematicians Module 4: Transformations Module 5: Circles (time permitting)
Classroom Expectations	<ol style="list-style-type: none"> 1. Respect yourself, others, and all class materials. 2. Bring your chromebook and other materials to class every day. 3. Work collaboratively. 4. Be in your seat when the tardy bell rings. Students tardy to class will receive a detention per LMS policy. 5. Save off-topic requests for after instruction. <p>All students must follow the Madison City Schools Code of Conduct.</p>
Technology Policy	<p>Students should bring their MCS chromebooks and chargers to class each day. Teachers utilize GoGuardian to monitor student activity and participation; however, students are responsible for their activity on school-issued devices and using their MCS accounts.</p> <p>Students are welcome to bring personal cell phones to school to be used between classes and during lunch. Students will not be allowed to use cell phones during class. All cell phones must be placed in students' backpacks or a cell phone holder that the teacher has placed in the designated area of the classroom during the entirety of the instructional block. Also, remember that the student is responsible for locking and securing personal devices. LMS is not responsible for lost, stolen, or damaged cell phones and other electronic devices. Students may not use their devices to do anything that would disrupt the learning environment at Liberty Middle School.</p>
Progressive Discipline (LMS Policy)	<p>Liberty Middle School Classroom Management Plan:</p> <p>Step 1: Verbal warning Step 2: Student/teacher conference with parent notification Step 3: Parent contact/conference Step 4: Detention Step 5: Referral to administration for repeat Class I violations and initial Class II and Class III offenses (Madison City Schools Code of Conduct)</p>

Grading Policy (MCS Policy)	60% = Assessments (Indicator Tests and Retakes) 40% = Daily Grades (Quizzes, Classwork, Projects, and Participation)
Late Work Policy	All work is expected to be turned in complete and on time. If an extension is needed due to an extenuating circumstance, please work with the teacher to decide on an adjusted due date. <u>Communication is required to secure all possible points if an assignment is to be turned in late.</u> A final due date will be set for any missing assignments at the end of each term to provide time for grading.
Make-up Work/Test Policy	Students with excused absences will be allowed to make-up all work within three days of returning to school. All work to be completed will be located in the Makeup Work folder in the classroom. Students should locate their work in their block's folder. Their work will have their name on it. It is the student's responsibility to get their make-up work from this folder. Students can work with a classmate or ask the teacher for help. A completed copy of the notes for each section will be uploaded on Schoology for reference. Work that is not made up will become a zero (including tests/projects).
Materials & Supplies	Please see the 2024-2025 LMS Supply List here . I have a limited amount of shared supplies for the class. If your student would like their own markers, colored pencils, glue sticks, etc. they are more than welcome to bring them. Teacher Wish List: <ul style="list-style-type: none"> ● Kleenex (<i>priority</i>) ● Clorox wipes (<i>priority</i>) ● Hand sanitizer (<i>priority</i>) ● Sharpened wooden pencils ● Any art supplies that can be donated, new or used.
Classwork	Students are expected to fully engage in class and participate fully. Any work not completed in class is subject to being completed at home.
Parent & Student Acknowledgment Form	Please complete the Syllabus Agreement Form acknowledging that you have fully read and understand each part of this syllabus. (This form must be completed together by both parent/guardian and student.) I am so excited to begin this new year with you! We are going to have a great year of learning and growing both as mathematicians and individuals.
