THIRD NINE WEEKS HORIZON STEM

NIGHT!!

STEM Night is **April 16th from 5:30pm until 7:00 pm.**

Come learn more about STEM careers with local companies and organizations. LOTS of fun, hands-on activities!

PARENTS! You don't have to cook! You will have the opportunity to purchase dinner while you are there.

COME JOIN THE EXCITEMENT!

WHAT'S HAPPENING

Each nine weeks STEM will focus on a one (or two) specific Challenges for each grade level.

Kindergarten: I can use Scratch Jr. to code.

First Grade: I can develop a plan to communicate with a friend with no phones.

Second Grade: I can determine how the Earth goes through natural changes.

Third Grade: I can identify a problem that could be solved by computing.

Fourth Grade: I can create a disaster preparedness plan to raise awareness about natural disasters.

Fifth Grade: I can write an action plan to protect plants and animals in Madison as the city expands.
