

# YEARBOOK STAFF APPLICATION - BOB JONES HIGH SCHOOL

**Yearbook Staff** - You will be creating the yearbook! It is a 100% student-run publication, with a faculty adviser, editors who are the main decision-makers and drive the production of the book, and staff members. You will come up with ideas for the book, design pages, shoot events, write stories and captions, help with social media and marketing to drive sales, etc. **DUE MARCH 8!**

**Note:** Yearbook is a class and an extracurricular activity. You will often be required to attend events and work on your pages outside of class time. Before moving forward, consider if you can commit to the time required to make an awesome yearbook.
