### District Goals

Mapleton School District is committed to preparing all students for success. Our schools regularly evaluate academic achievement, academic growth, and graduation rates for "all students" and "subgroups" as required by the state. We also reach for goals set by the district and each school, to ensure we are doing our best to prepare each child for success. To learn more about each school's performance, please see our individual School Report Cards.

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
