If a driver loses add-on time within a given school year, it shall not be considered a reduction in force or lay off. If add-on time remains at the start of the next school year, that base time now becomes the new total route time for that route.

**10.3** Drivers called into work for the purpose of driving shall be paid a minimum of two (2) hours at their assigned rate within the collective bargaining agreement.

- f. Bus trips that interfere with a bus driver's regularly assigned route will be paid at least the amount earned on their daily route.
