# Coordinated School Health

What is a Coordinated School Health Program?

- Physical health education
- Mental health education
- Substance abuse education
- Physical education and physical activity
- Parental involvement
- Districts must choose a TEA approved program to satisfy the Coordinated School Health Mandate (TEC 38.014)

# CATCH

What do we like?

- Digital & Interactive
- Resources available in Spanish
- Embedded PD videos for teachers/onboarding PD included
- Approved by TEA and complies with the Coordinated School Health (CSH) mandate
- Meets 100% of the updated 2022 Health and Physical Education TEKS for grades K-8 (excludes Reproductive Health)
