

MFES TRAFFIC PATTERN AND DROP OFF/PICK UP LOCATIONS

ALL students who are walker and car riders must enter through the front of the school.

All parents who plan to pick up their child MUST have a pick up tag.

Boys & Girls Club

Bus Loading & Unloading Zone

Parking for parents walking up.

ENTRANCE TO CAR LINE

Car Drop Off/Pick Up

Parent Pick Walk Up

FM 1431

AVE. U

BROADWAY

IMPORTANT

Please help us keep our students safe! Parents walking student in or out must use the Park & Walkup area so children are not crossing through and slowing up traffic through the Car Drop-off line. **Do not park across from the main entrance with your child and cross through traffic**— it is dangerous for our kids and slows up everyone using the established Car Drop-off line.

Parents in the car line should follow the “Yellow” traffic pattern for student drop off and pick up. Cars should approach the entrance from Avenue U in the north bound lane.

In the interest of safety, no thru traffic will be allowed on Broadway (between Ave S and Ave U) during the following times: 7:15 A.M.—7:45 A.m. & 2:45 P.M.—3:45 P.M.

It is extremely important that everyone follow the established car line route and procedure. Please be aware that the first couple of weeks of school bring longer car lines and wait times than normal.

Your patience is much appreciated.
