In an effort to keep our parents, staff, and community members informed, Marble Falls ISD will provide information on a daily basis about the number of staff and students that have tested positive for COVID-19. The dashboard will provide running totals, per the date of notification, for the identified locations for each month, as well as the total number of cases in the district for each day.

The dashboard, below, will be updated daily by 4:00 pm. As we move through the school year, links to archived months will be located on the [Archived Monthly Reports](#) page.
