Greetings! The Tennessee Department of Health requires all students to have the appropriate immunizations and vaccines on file in order to attend school. Students entering the 7th grade are required to have the following vaccinations prior to enrollment:

- Tetanus-diphtheria-pertussis booster (Tdap) – evidence of one Tdap dose given any time before 7th grade entry is required regardless of Td history
- Varicella – 2 doses or credible history of disease

In an effort to ensure that our county is in compliance with the state mandate, parents must demonstrate proof of their student's immunizations. Please submit the Official Immunization Certificate, which is available in local health departments or through your child's physician. Please submit this certificate to school, showing proof of the required 7th grade immunizations, by **September 16, 2024** in order for your child to attend school.
