

Highland Park Elementary School Counseling Program 2017-2018

Welcome back!

I am so excited to see so many of our Highland Park Tigers returning for another great year! I am also looking forward to getting to know the many new Tiger faces I have seen around the building. This is going to be a great year! We will now have a character trait of the month. August's character trait will be Respect. I encourage you to talk with your child about what it means to be respectful and ways they can show respect in their interactions with you, their teachers, and their friends.
