---

## ASSIGNMENT FORMATTING

All typed assignments must be in **12 PT TIMES NEW ROMAN FONT**, double-spaced, and have 1" margins with your name, class period, and date in the top left corner with a centered title.

Make it look neat.

---

## HOMEWORK POLICY

Most work will be able to be completed in class if students use their time wisely. Some work may need to be done outside of classes to finish writing and/or typing.

If students do not complete work during class, in the time allotted, it will be assigned as homework so students can adhere to the determined deadlines.

---

## LATE WORK POLICY

Late work will be accepted if late work procedures are followed.

Students will turn in work and then complete the late work form explaining when and why it is late.

It will be graded in the order it is turned in. Your late work is not my emergency.

## ABSENCES AND GRADES

Weekly and daily work will be updated weekly. Please check grades regularly and feel free to ask me any questions that you might have about a particular grade.

If you are absent, you are responsible for completing your make-up work (two days for make-up for each day absent).

All make-up work will be placed in your class's absent folder and your name will be written on any work you missed. It is your responsibility to ask a classmate or me for help on making up any assignments (you can always borrow my notebook), and/or to meet with Dr. Robert to make up any tests or quizzes.

If you know you are going to be absent beforehand, you should ask me for your make-up work before the absence.

This can be done before or after school or via e-mail.
