Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$500/Individual or \$1000/family Out-net: \$1000/individual or \$2000/family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Supplemental Accident Benefit	Within 90 Days of the Accident \$500 per Calendar Year	
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	No.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the Maximum Coinsurance Limit?	\$1,500/individual or \$3,000/family Out-of-network: \$3,000/individual or \$6,000/family	The Maximum Coinsurance Limit is the most you could pay in a year for covered services. This does not include any copayments.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For network providers \$6350 individual / \$12,700 family  Out-net: \$12,700 individual / \$25,400 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. This amount also includes copayments.
What is not included in the <u>out-of-pocket limit</u> ?	Non-Precertification Penalties; Amounts over Usual and Reasonable, dental, vision	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Will you pay less if you use a <u>network provider</u> ?	Yes. See www.mycarefactor.com or call 614-766-5800 for a list of network providers.	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .
