

## Community Relations

**SUBJECT: STUDENT PARTICIPATION**

Students provide an important channel of communication with parents and the entire community. Information concerning the schools may be properly disseminated through students. The School District's administrators shall review all messages and materials prior to authorizing their dispersal through the student body.

As a courtesy, the District may distribute flyers for community based organizations. These flyers must contain the following statement:

"Neither this material nor the contents hereof are endorsed by or distributed by school authorities."

Superintendent approval is necessary before distribution.
