  - Offer new, in person certification opportunities: EMT certification, Cybersecurity certification (Security Plus), CPR/First Aid
  - Create PAVE @ Synergy (Providing Access to Virtual Experiences) this cadre of asynchronous, self-directed courses will prepare learners to sit for industry standard certifications.
  - Create a new community in KidOYO that replicates our teacher SNAX PD opportunities. Learners will be able to challenge themselves with asynchronous, self-paced 'courses' on a variety of creation tools.
  - Develop opportunities for learners to communicate with and learn from experts in a variety of career disciplines through asynchronous online experiences.
- Continue to develop the process for implementation of the Learner Portfolio Grades 3-12. The portfolio will serve as a place for learners to document and reflect upon their educational journey in real time, and as a showcase of their work and accomplishments throughout their school years in Mineola.
- Continue to refine and build our structured literacy model with an emphasis on phonological awareness, decoding and sight word recognition. (in both languages for our dual language learners)

***Facilities***

- Articulate the 5-year Capital improvement plan that addresses the outstanding items in the new Building Condition Survey (BCS). Plan should also include building enhancements related to future programs.

***Finance***

- Not to exceed the allowable tax levy cap while continuing to maintain and enhance all of our programs and facilities.
