

PRINTING

Comments From Google Docs

DOWNLOAD FILE

Open your file with comments in Google Docs. Then select: File > Download As > Microsoft Word

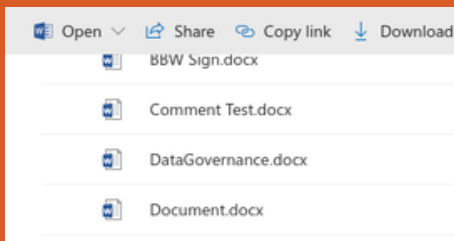

MICROSOFT 365

Go to Classlink and open up Microsoft 365. Select "OneDrive." Then select: Upload > File

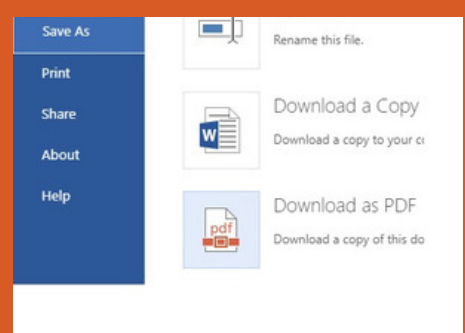

OPEN FILE

Open the file you uploaded.

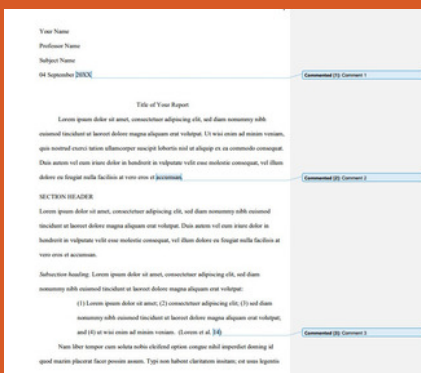

DOWNLOAD AS PDF

Select: File > Save as > Download as PDF. Then select "Download" in the pop up box and save your document in your downloads folder.

PRINT

Lastly, open your PDF document, check to see that your comments are visible, and print!

See your librarians for assistance!
