APPLICATION DEADLINES

After you apply to a college, use Scoir to notify the College Advising office. Log into Scoir. In the "My Colleges" section, click on the college name to which you have just applied. Drag it from "Following" and drop it under "Applied." This will notify our office that you have applied.

Then we will send your transcript and supporting materials. All applications should be completed **3 weeks** prior to the college or university's application deadline.
