

Seniors,

A few reminders as we close in on the end of first semester. **Please read!**

- The deadline to be considered for competitive scholarships at the **University of Alabama** is **January 15th**. To be considered, you must have a *complete* application for admission on file by January 15th. A complete application includes your application, your ACT/SAT scores, if needed, and supporting school documents. Be sure to move the college to "Applied" in Scoir so we can send remaining school materials. Remember you are responsible for sending your ACT/SAT score. Check your mybama account to make sure UA has the correct test score and GPA on file. Click [here](#) for more information about scholarships at UA.
- At **Auburn University**, students are automatically considered for **some** scholarships if they have a complete application on file by **December 1st**. To apply for additional scholarships, complete the **AUSOM application** by **February 1st**. Log in information will be sent after you are admitted. Click [here](#) for more information about scholarships and about how Auburn receives ACT reports. Log into your applicant portal to make sure Auburn has your correct ACT/SAT score and GPA on file.
