

# The Cooking Guild

April 25, 2023  
Dear Guardian,

We are excited to announce that students will be participating in Guilds for the second time this year at MBE! Guilds are an EXCITING opportunity for students to build community, explore something new, and spend time learning more about something they already love. They will spend an hour and a half during school (from 1:00-2:30) enjoying one of the guilds they selected at the beginning of the year.

Students will dismiss to their guild from their homeroom on Guild Day, April 28th. Your child has chosen to participate in the *Cooking Guild* with Mrs. McMahon and Mrs. Jones. Special materials are needed for participation in this guild. Please follow the steps below to find the Supply List needed for our guild. Please send supplies to school by Thursday, April 27. Thank you so much for your help in making this guild a success!
