Dear Parents:

During a student's 8th grade year, we begin the process of drafting individual high school four-year plans. The Alabama State Department of Education requires that each student fill out a four-year plan, signed by the parents and kept in the student's file at school. **Please remember that this plan is only a draft.** The plan can be changed and updated at any time.

Please note: The drafted four-year plan is separate from the course selection process. This drafted plan is not used in determining your child's schedule. The course selection process was completed in March of this year.

Please review and sign the drafted four-year plan and return it to your child's science teacher by Friday, May 7, 2021.

If I can be of further assistance, please contact me at 205-877-8346 or lancasterc@mtnbrook.k12.al.us.

Sincerely,

Casey Lancaster
