

“Providing an effective, challenging, and engaging education for every one of our students”

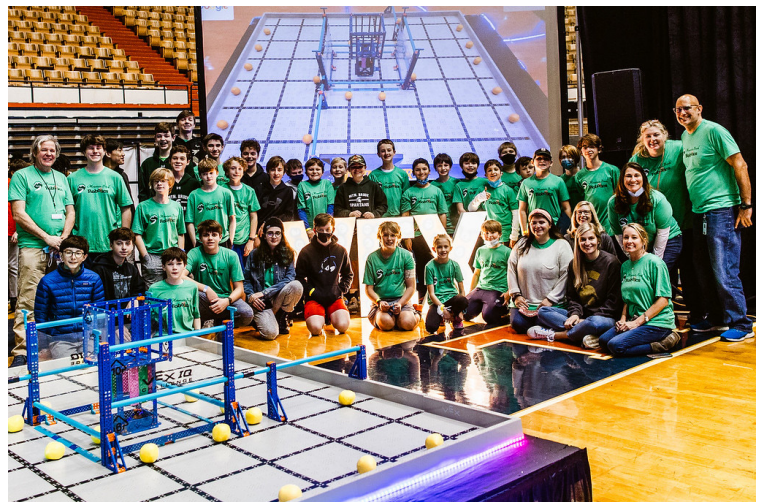

MBS Parents,

We have come to the end of another tremendous week at Mountain Brook Schools! As February draws to a close, our students and staff remain engaged in order to achieve success both in and outside of the classroom. Our COVID numbers remain well below the reporting threshold of twenty positive cases. We remain committed first and foremost to our student’s safety. Take a moment to read the ‘Good News’ stories below and be sure to follow us on social media and visit the website to stay up to date on the great things happening in and around our school system. We hope you have a safe and enjoyable weekend!
