

GOOD NEWS

+ MBHS Dorians placed 5th at Nationals in Orlando last weekend! [Click here](#) to read more.

+ Mountain Brook Robotics has the largest number of teams in competition from any district at the upcoming VEX IQ State Championships in Auburn on Feb. 19!

+ Each elementary school announced its Expressions contest winners this week. Congratulations and thank you to the more than 1,000 students who participated!

PICTURE OF THE WEEK

The MBHS girls indoor track team took home the 6A runner-up trophy last weekend at the state meet!

MBS Parents,

We're pleased to share with you that as of Friday, February 11, our district-wide, self-reported, positive COVID case count is below our reporting threshold of 20. The number of students who are currently designated as a 'close contact' is in the single digits. Also, we had 13 people who were able to return to school this week due to our most recent [isolation/quarantine guidelines](#).

This is all encouraging news as we have seen a significant decrease of COVID around our community, county, and state. We want to remind you that this is something we will continue to monitor daily. Our team analyzes and reviews every case, every day in order to keep our students and faculty safe in our school buildings.

Our students and staff remain committed to good hygiene practices and distancing (when possible) as primary mitigation procedures in each of our schools. If your child does feel sick, please consult your primary health care physician. Any positive COVID case should be reported to your school nurse. Thank you and we hope you have a great weekend!

MARK YOUR CALENDARS:

The MBS Elementary School Track Meet, hosted by the Mtn. Brook City Schools Foundation, will be held April 13 (3rd and 5th grades) and April 14 (4th and 6th grades) in Spartan Stadium. More details in the coming weeks.
