WEEKLY UPDATE

MARCH 11, 2022

MBS Parents,

We hope you are doing well! Another busy week has come to a close here at Mountain Brook Schools. Students across our district are actively learning and growing inside and outside the classroom. Please take a look at the information below for substitute opportunities, upcoming events this spring and good news regarding things that have recently taken place in our school system!

We're pleased to report that our COVID positive case numbers remain below our reporting threshold of 20. Safety measures are being taken to ensure students safety and well-being. We hope you have a safe and wonderful weekend. We look forward to seeing our students back in the classroom on Monday morning!

DO YOU WANT TO BE A SUBSTITUTE TEACHER?
