WEEKLY UPDATE

MARCH 18, 2022

MBS Parents,

Happy Friday! It's hard to believe that spring break is right around the corner. We're approaching the final quarter of this school year and we continue to be impressed by the work conducted by our teachers and students on a daily basis. Spring is always a busy time in our school system so please be sure to follow Mountain Brook Schools as well as your local school on social media to stay up to date on the latest news and information.

Also, be sure to check out the 'Good News' on the second page to read about some amazing things happening around MBS. We currently have zero reported COVID positive cases across our district. We want to remind you that the nurse's 'on-call' phone line is currently inactive. Thank you so much for your understanding and we hope you all have a safe and wonderful weekend!

DO YOU WANT TO BE A SUBSTITUTE TEACHER?
