PICTURE OF THE WEEK

Students at MBE get ready for spring break!

MBS Parents,

We've made it to spring break! This next week will be a great time to relax and enjoy time with family and friends. There are a few things we want to remind you of before the break.

Construction continues at MBHS, MBJH and BWF. Meanwhile, Crestline is now beginning the addition of their new gym. We've made tremendous strides since the beginning of construction last May. All of our students and staff have been flexible in order to best maintain a structured learning environment, which is greatly appreciated!

We have lots of events coming up in the final two months of school. Please be sure to stay up to date by following us on social media and checking your email with information from your local school.

As a school system, we are partnering with ALL IN Mountain Brook and the MBHS football team to bring in Damon West to speak to the community on April 12 at 6pm at MBHS. He has spoken nationwide and will present his talk "The Coffee Bean." The elementary school track meet presented by the Mountain Brook City Schools Foundation will take place April 13-14 at MBHS. Student Showcase returns on Monday, April 25 from 5-7 p.m. in Crestline Village by the library. More information on these events as well as many others can be found on our website and social media.

We hope you have a safe and relaxing spring break. We will see you in April!
