

## Art Discipline Plan

Dear parents,

Art class is a time for students to learn and express themselves through creative endeavors. Disruptions take away from our ability to teach as well as other students' ability to learn. In order for each student to fully benefit from the Art learning environment, we have created the following guidelines:

1. Be respectful and kind
2. Always do your best
3. Actively participate

Failure to follow the expectations will result in the following consequences:

1. Verbal warning
2. Sign the discipline log
3. Phone call and/or conference with parents
4. Meet with an administrator

Certain behaviors may require skipping to steps three or four of the consequence ladder, depending on the severity of the behavior.

We are looking forward to a great year!
