## SING

## READ/PLAY

## MOVE

## EXPLORE

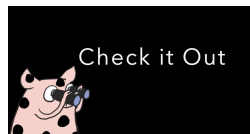

## CREATE

K-1

Sing one of your favorite songs from music class to a family member or stuffed animal.

Find something around the house to use as an instrument and play a steady beat to a favorite song.

Move and make animal sounds

[Click here](#)

Find 5 different objects in your home. Explore the different sounds they make.

Create a musical parade.

[Click here](#)

2-3

Sing one of your favorite songs from music class to a family member.

Read and play rhythms.
