Bike Security Update

Over spring break, cameras were installed around the bike racks outside of the Mill Valley Middle School in order to deter theft and monitor potential theft activity. Since the installation, we have been able to identify two bike theft incidents and return bikes to students.

We hope Mill Valley Middle School students can now ride their bikes with additional peace of mind! Students should remember to always lock their bikes and not keep them at the school overnight.

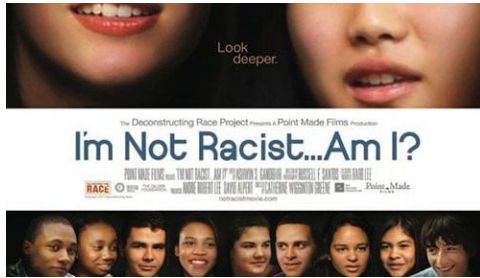

from PTA Council

The Mill Valley School District PTA Council has already raised over \$5,000 from the district-wide coin drive! So far, Old Mill, Tam Valley, and Edna Maguire have participated. Mill Valley Middle School's drive is happening now, with Park and Strawberry to follow.

We can accomplish a lot when we all come together! Thank you to the PTAs for organizing this project to support a neighboring school's library.
