

SCIENCE FAIR PROJECT

BY _____

This is your rough draft to help organize your project. Good luck and have fun!

TITLE / QUESTION –

RESEARCH – include at least 3 resources (www._____.com)

- 1.
- 2.
- 3.

FILL OUT THIS VARIABLES CHART – To create a fair test

Keep the SAME	Need to CHANGE	Need to MEASURE
CONTROLS	INDEPENDENT VARIABLE	DEPENDENT VARIABLE

HYPOTHESIS – Make an educated guess / include your independent variable and your dependent variable in the statement.

I think _____
 because _____

MATERIALS – Make a specific list of everything you need

SCI PROJECT Cont'd for _____

PROCEDURES – Write step by step instructions. Be as specific as you can! Use space on back of sheet if needed

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.

DATA COLLECTION – How will you record your observations? Create a chart and/or graph below. If you are doing a survey, write your questions here.

SCI PROJECT Cont'd for _____

RESULTS – List at least 3 facts from your data.

- 1.
- 2.
- 3.
- 4.

CONCLUSION – Was your hypothesis supported? Why or why not?

THOUGHTS, REFLECTIONS, THINGS YOU WOULD CHANGE FOR NEXT TIME,
FUTURE IDEAS....? This is a nice part to add to your project ☺
