MILL VALLEY

Edna Maguire Elementary School will host a celebration Sunday at the beginning of the 18-month reconstruction of the school, set to begin in June.

From 3 to 6 p.m. there will be live entertainment provided by Edna Maguire alumni, food for purchase, school historical displays and more.

The school, which has been operating since 1956, will be demolished and rebuilt in a \$36 million project funded by a bond measure passed by voters in 2009.
