

The Weekly Howler

A remote learning weekly bulletin for students of Mill Valley Middle School

Howls of the Week

May 1 is this Friday, and for the first time in 15 years, students will not be arranging flowers to take to the Redwoods. This is a tradition that Ms. Josephson and her best friend started and she would love to see it continue, even though we are under a “shelter-in-place” order. We encourage all MVMS students to find a way to (safely) reach out to someone who could benefit from a gift of love, perhaps someone in your neighborhood! If you do not have any flowers in your garden to create a bouquet, you could make a May Day card to brighten someone’s day!

Next Week’s Howling

Attention all 6th and 7th graders! Elective sign-ups for next year, 2020-2021 school year, will be coming soon. All families will be receiving information from Ms. Lazzarini through Parent Square, and all sign-ups will be conducted through Aeries Portal. Be sure to look for that information coming by the beginning of next week.

Highlighting our Howlers

With the spirit of May Day upon us, and in the spirit of reaching out to others and being of service to those in our community, check out this [video](#) done by our 6th graders in their Wheel class, in support of the Meals on Wheels program!
