Howls of the Week

This week is National Teacher Appreciation week! We encourage all students to find a way to show their appreciation to all their teachers during this time of Remote Learning. Our teachers are working extra hard to plan lessons, provide feedback, and to connect with you all on a personal level. They are going the extra mile to not only show they care for your academic success, but your social and emotional well-being as well! Please take a moment to send your teachers a video, picture, note, or an audio to let them know how much you appreciate ate them all year and this week!

Next Week's Howling!

All of your teachers, counselors, and administrators want to extend a heartfelt thanks and appreciation to all our Mill Valley Middle School students as well!. We know how difficult it is to learn and grow in this new environment, and we just wanted to extend our support, thanks, praise, and appreciation to all our students! We are so proud of all our students!

Highlighting our Howlers

This week's Howlers come to us from the wonderful world of Disney! In 2019, our Cabaret was "Middle School Musical," based on Disney's "High School Musical." ABC replayed the "Disney Sing Along," and we felt it appropriate you all check out "We're All in this Together" by the original cast on your home device!
