Howls of the Week

Distance Learning has begun and is in full swing this week. Remember, that students see all of their classes on Monday. On Tuesday, its Period 1A - Period 3A, Wednesday Period 4A - Period 6A, Thursday Period 1B - Period 3B, and Friday Period 4B - Period 6B. All students have asynchronous learning time in the afternoon from 1:15 - 2:50. With Panther Community, students should be engaged in their learning throughout the regular school day, in addition to any homework and independent reading.

Next Week's Howling

Labor day is Monday, September 7th, so it is a holiday and there will be no school. We encourage students and families to disconnect, relax, and enjoy the long weekend. Next week will start with Period 1A on Tuesday morning, but not before Panther Community at 8:40! See you all there!

Highlighting our Howlers

Great job in the chat during Panther Community Time! Keep it up! We are really enjoying our Panther Community time with you all. The games and quizzes are a great way to connect with one another, so expect more Kahoot and "Name that Tune"!

We also have received a number of photos of students in masks, and their learning spaces. We will be sure include some of the pictures in Panther Community time in a slide show, throughout distance learning.
