Howls of the Week

We are now in our second week of Distance Learning and we appreciate how hard everyone is working together. Keep up the great work!

As the skies turn orange, and wildfires burn across many parts of Washington, Oregon, California, and here in the Bay Area, it is important to keep in mind all the brave firefighters, on the front lines, working 24/7 to keep communities safe from harm's way. If you see a fire crew stopping for food or coffee, be sure to thank them for all their efforts.

Next Week's Howling

Back to School night is next Thursday, September 17th at 6:00PM. Information will be sent home regarding the event, which will include a live webinar (Zoom) with administration and counselors, and also an opportunity for students to show parents each of their classes. Stay tuned for more information!

Highlighting our Howlers

During Panther Community this week, Ms Lamar has talked with students about the Kindness Challenge. It was so wonderful to see all the students participating in the chat and discussing three kind things they said to their families. As we move through this week, through the year, and beyond, it is important to treat all people with kindness and respect. Be good to another, support one another, and continue to lift each other up.
