ACTION /DISCUSSION

Recommendation: Approve – Awarding American Fidelity the contract for the Paid Family Medical Leave plan, with an effective date of September 2023.

Paid Leave Oregon is a program the Oregon legislature passed in 2019, to begin September 3, 2023. It allows individuals to take paid time off to care for themselves or their loved ones for qualifying situations. It is funded by contributions from both employers and employees. Employers may meet their PFML obligations by providing the coverage to their covered employees through the state-run plan (Paid Leave Oregon) or through an Equivalent Private Plan. The Equivalent Private Plan can either be a Fully Insured Equivalent Plan or an Employer Administered Equivalent Plan (self-insured)

Mrs. Wharton said although this is due to begin in September, they are starting to change their language because the funding may not come through in time.

MOTION: Diane Boisa 2nd: Bill Hagerty AYES: 3 NOES: 0 ABSTAIN: 0

INFORMATION / DIRECTOR QUESTIONS

Superintendent Wharton said the Sheriff sub station at the K8 is ready and pending a computer to be brought down for their use. Mr. Holloway said they will use the receiving door and that they will have a key. There will also be signage for the Sherriff Department on campus. They will be a good presence Mrs. Wharton said.

Information was pushed out to families today about the Betty Ford Clinic, Mrs. Wharton shared. They are drug and alcohol prevention specialists who will be coming to talk about a variety of topics. These trainings and information sessions are for students and staff. It will also include a parent night. Students will be surveyed to see what their perceptions are. All of us at this table are worried about Fentanyl, Mrs. Wharton said. We need to have these difficult conversations with kids.

Mrs. Wharton said admin team is working on getting roles lined up for the next school year. Ursula and Sarah just went to Portland for a teacher recruitment job fair. We have a couple of staff members who are retiring next year. Mrs. Wharton said she will be attending a COSA conference this month for small school districts. There are 141 districts that are considered small schools in Oregon.

Superintendent Wharton shared that is has been since 1979 that Oregon has approved a new female sport. Girls wrestling was accepted and is now a sanctioned sport. Volleyball is on the docket for boys.

Mr. Holloway and Mr. Richwine have been working on the exploratory CTE classes up at the High School. Mrs. Wharton said she was able to go with O'Brien and show the kids the new CTE building. Pictures of the classes have been shared with staff each week and they are enjoying them!

Mrs. Wharton explained that the last timber revenue check of \$165,000 is way down from two years ago at 1.2 million, and the year before that at 1.3 million. They have budgeted very conservatively with that in mind.

Juntos will be presenting to the Board soon. They just went to a chamber meeting with fifteen students and the kids did very well speaking during the meeting.

Ms. Boisa asked about Narcan at the schools and Mrs. Wharton replied that there is plenty of Narcan throughout the school at each site.

FURTHER BUSINESS

There was no further business.

ADJOURNMENT

The meeting was adjourned by Vice Chair Fielder at 6:31 pm.

For the 2023-24 period of the memorandum, NVSD shall contribute up to \$1,725.00 per month (“cap”), the same rate as bargained in the licensed association agreement, for medical, dental, and vision insurance premium coverage. This shall be prorated according to FTE for any part-time administrative employee.
 - 2. Administrative employees who enroll for plans that exceed the \$1,725.00 cap shall have the remaining premiums covered by the Administrative employee through payroll deduction.
 - 3. Additional supplemental insurance options available through OEBC shall be available to the Administrative employee at the employee’s expense through payroll deduction. These include life insurance, dependent life insurance, short term disability insurance, and long term care insurance.

Sick Leave may be used for the Administrator's own personal illness, or the illness of a child living in the Administrator's home under the age of 18. This Agreement is entered into between the Board of Directors of Nestucca Valley School District No. 101 and the Oregon School Employees Association, Chapter No. 169.

The intent of this Agreement is to set forth and record herein the basic and full agreement between the parties on those matters pertaining to wages, hours and conditions of employment.

Such applicability shall not be retroactive.

A "temporary employee" is an employee hired to perform duties that may arise from or extra-ordinary duties not normally performed by members of the bargaining unit.

1.3 The provisions of the contract shall be applied to all employees in the bargaining unit without discrimination as to age, gender, marital status, sexuality, race, color, creed, national origin, political affiliation, membership or non-membership in the Association, or in violation of any other federal or state discrimination laws.

ARTICLE 2

RETENTION OF RIGHTS

It is expressly agreed that all rights which ordinarily are vested in, and are exercised by the employer, except those relinquished by this contract, are reserved to and shall continue to be vested with the employer. This shall include:

A. Manage and direct the work of the District.

B. Make such operating changes as are deemed necessary for the efficient and economical operation of the District, including the right to change the normal workweek, the number of hours normally worked during the

C. Hire, promote, demote, transfer, discharge, discipline, suspend, or lay-off all employees covered by this Agreement.

D. Determine the type of work to be performed, the location of the work, the schedules for work, and the methods, processes and means of conduct of District operations.

ARTICLE 4

SEPARABILITY OF PROVISIONS

- 4.1 In the event any provision of this Agreement is declared to be invalid by any court of competent jurisdiction, by ruling by the Employment Relations Board or by inability of the District or the employees to perform to the terms of the Agreement, then upon request by either party that particular Article of the collective bargaining agreement shall be reopened for negotiation.
- 4.2 The District and Association shall provide for and make every reasonable effort to conclude negotiations, including provisions for an effective date, a reopening date, and an expiration date, at a time to coincide, as nearly as possible, with the period during which the appropriate legislative bodies may act on the operating budget of the employees.

Classified employees who are laid off and subsequently recalled shall retain cumulative seniority for all periods worked except for the period of layoff.
 - 13.1.1 Those employees who share the same hire date will create a lottery to determine seniority on their first day of work. This will create a permanent seniority ranking.
- 13.2 When a layoff occurs within the bargaining unit, the Association and those employees affected will be given ten (10) working days' notice via district email, except in cases of emergency. This Article only covers layoffs which occur as a result of reductions in whole or part time positions and reductions of over one (1) or more hours in a position's regular daily work schedule.
- 13.3 Layoff of bargaining unit employees will be based upon seniority, but such layoff will occur by classification. Laid-off employees will not be paid any salary or benefits during the period of layoff. Notwithstanding, a laid-off employee may, at his/her own expense, continue insurance coverage, subject to the approval of the insurance carrier(s) and subject to applicable laws.

 - B. The laid-off employee had at least satisfactory evaluations in the previous classification. Employees retreating shall be placed on the same step they were on before the retreat.
- 13.5 Recall rights shall exist for 27 months from the date of layoff. Any laid-off employee not recalled according to this procedure within the 27 months will be deemed to have been separated in good standing.

- 13.6 Whenever the District determines that a vacancy exists within a classification, which has experienced a layoff (within the last 27 months), laid-off employees from that classification will be recalled in reverse order of layoff. The recall notice will be sent by email and phone call to the last personal email address and phone number the District has on record for the laid-off employee. A refusal of recall to a position which is comparable in pay and benefits to the position held prior to the layoff shall constitute voluntary termination and such employees shall lose any further right to recall. Comparable shall mean a potential of 90% or more of the previous annual income earned prior to layoff and the same level of benefits previously held. The laid-off employee will have 10 workdays to respond to the recall notice. Failure to respond within the 10 workdays or rejection of the recall notice will cause the laid-off employee to forfeit all recall rights and will be deemed to be a resignation.
- 13.7 If no laid-off employee has responded to the recall by classification, or if no further laid-off employees exist from the classification, all other laid-off employees may apply for the regular vacancy. Such application shall not prejudice the employee's rights to recall in the employee's own classification.

NOTES FROM NESTUCCA HIGH SCHOOL

May 10, 2023

Recent Activities:

- If you didn't see the Spring Musical, Shrek: The Musical, you missed out! It was definitely a hit. For those of you that might have gone Friday evening, Princess Fiona had a surprise thrown at her. A different actress was supposed to have played Princess Fiona when she turns into an ogre, but Rachel Gregory (who was to play Princess Fiona the Ogre) rolled her ankle pretty bad an hour before the performance was set to start. Alinna Mendoza, who played Princess Fiona the non-ogre, had to step in and do all of Rachel's lines as well as sing her songs. You would have never known. The entire cast was truly amazing, but to know this fact and watch for mistakes and see none was astounding. My two-year-old granddaughter was enthralled the entire show.
- Our speech team did well at state, and Lionel Brown---who happened to play the donkey in the musical and did a fabulous job—took fourth in Extemporaneous Prose.
- Our Exploratory classes have been going great! We now have on average 10 stations each week. One of these stations is a credit recovery, but it does give those students time to make up credits at school using internet they might not have at home, and having staff support. The other students are enjoying rotating between barista, working with a bucket truck, the military, construction, doing low voltage wiring, Hampton lumber, performing minor medial procedures on oranges, etc. I know you all have had a chance to see the photos, but you don't hear the kids asking questions or laughing. It has been a great program.
- We had our beach clean up on the 26th of April. It was a beautiful day at the beach and the kids were excited. However, they were disappointed because SOLV had come through two weeks prior so there wasn't as much trash as they had wanted; they wanted to make a real impact. They gathered about six trash bags full, but considering they covered from Cape Kiwanda to Bob Straub, they felt like they should have gathered more.
- SOAR interviews came and went, and I have to say our Freshman beat our Seniors. Both grades interview with the community members, but our Freshman came more prepared, dressed better and presented themselves well. Our seniors were a little more relaxed than I would have liked. I think they took notice of the Freshman though and may not be so lackadaisical next time.

Upcoming Activities:

- This Thursday, our baseball team will compete in our league playoffs at Pacific University. We are in the third place spot, so will play Vernonia first. If we win, then we play Clatskanie to see who goes on to State.
- Our softball team is in good standing in the league, but took a hard blow last night. Both of our pitchers are injured. Rachel Gregory that I mentioned above, and Abby Love, who came back from a knee injury last week reinjured that knee last night. Props to Hailee Knight though who pitched the rest of the game without practicing this year at all...and she gritted it out. She is very tough.
- Our track team will head to District next weekend and hope to take several to state the following weekend.
- Before we have our next board meeting, we will have graduation. That week is a busy one: Tuesday will be the graduate's parade on Tuesday, Baccalaureate on Wednesday, the Awards Night on Thursday and then graduation itself on Friday. It is a whirlwind.

Board Report- 5/10/23

Kellow-Special Programs

1. As the '22-'23 school year comes to an end, the SPED program continues to work diligently to complete evaluations for newly referred students (both teacher and parent referrals), three-year re-evaluations and out of state transfer students. It has been challenging "catching up" after getting behind during the COVID shut down, but I appreciate the SPED staff's continued hard work to make this happen as quickly as possible. They have done an excellent job. A special shout out to Lesley Anctil, our school psychologist that joined our team during a very tough time and has helped tremendously. Unfortunately, she is leaving us for a full-time position closer to home, but we appreciate the time and tireless work she has provided over the last couple of years.
2. The end of year reporting for the state is in full swing and will be a big focus during the next two months. I will be working with several members of the team to complete all of the required reporting. Thank you to Amy Gianella, who has graciously stepped up to help me with YTP reporting in the absence of a district YTP Specialist. It is a time consuming, detailed process, so I am very grateful to those that can lend assistance to the process.
3. We are in the middle of extended testing for SPED students that qualify (as opposed to SBAC). Thank you to Carolyn Hill for working with these students to complete the testing process. Carolyn has done this for our district for many years now and it's appreciated!
4. After several findings during our ELL program audit, we have worked towards correcting these and have re-submitted updated documents and evidence to ODE. We now wait to see if our work has resulted in approval. This was definitely a learning experience (first ELL program audit in 10 years) and I am hopeful that we will move forward with a stronger program as a result.
5. We have started planning for next school year. In the world of special programs, this includes interviewing and hiring new staff, working with our private school/home school students to determine the levels of support required, creating budget narratives for '23-'24 federal funding, attending trainings and creating program configurations that work best for students and staff.

Board Report

5/10/2023

As part of our substance abuse prevention efforts with our students we have been able to engage Hazeldine Betty Ford on of the premier organizations in this area. Our students had their first sessions with Hazeldine Betty Ford in the form of grade level assemblies for grades 3 - 12. These sessions were tailored to the age of the students and were well received. Hazeldine Betty Ford held evening sessions for parents and I have received positive feedback from those in attendance. We will be continuing to work with Hazeldine Betty Ford through this summer and the next school year. They will be providing training to staff, working with our students in small group and providing further opportunities for parents. All of this comes to the district at no cost thanks to our partners at Adventist Health, a big thanks to them.

We met with the Cycle Oregon team and are continuing to make progress in preparation for the event. Just a reminder the event will be September 10 and 11 on the K8 Campus.

On April 17, along with a variety of people from TEC, visited a skills center in Vancouver, Washington. Skills Centers in Washington were established by the state legislature scattered throughout the state. They are CTE schools for high school juniors and seniors where they learn a trade they can pursue after high school. This particular Skills Center offered a wide variety of options from medical assisting, cosmetology, construction, aviation, mechanics and more. We toured this facility to get ideas as part of our push to enhance CTE throughout Tillamook County. Some of the ideas we took from the tour will be part of the strategic plan we are developing with our TEC partners to improve CTE opportunities for our students. As part of this Ms. Wharton, myself and Sherry Cook, CTE Dean from TBCC, presented to the Chamber of Commerce on the work we have been doing.

We are continuing to run our High School Spring CTE Exploratory Classes. You may have seen an article on this in the latest issue of the PC Sun. We are continuing to get great support from our community partners and we appreciate their help and could not do this without them.

A final note on CTE. I am in the process of finishing CTE related training from NCEER. NCEER is a trades industry group who provides "the" curriculum for the trades. This is the curriculum we will be using as we work on putting together pre-apprenticeships with our partner TBCC.

CLASSIFIED EMPLOYEES- We had a very collaborative bargaining session that has resulted in a winning contract for both parties. Thank you classified team for all you do for our district and being such a great group to work with.

LICENSED EMPLOYEES- This week is officially licensed employee appreciation week. Thank you teachers for all you do in one of the most challenging times in public education. Your students, and coworkers appreciate all that you do for our entire community.

PRE-SCHOOL PROMISE- We will be applying for continued grant funding from the state of Oregon for our Pre-School Promise classrooms. Reminder that we house this grant for all Tillamook County Pre-School promise classrooms, and the grant totals close to \$1,000,000.00.

EARLY LITERACY- The state will likely be offering non-competitive grants to focus efforts on early literacy. As a district we will apply for and implement this grant as it becomes available.

INTEGRATED GUIDANCE- The state will be proving us with feedback on our submitted plan and we will work collaboratively to remedy any deficiencies we had in our submission. This plan will help guide our professional development plan for the 2023-2024 school year.

OREGON SCHOOL ACTIVITIES ASSOCIATION-(OSAA) On Monday the Executive Board of the OSAA voted to appoint me as vice president of the Executive Board. I was honored and am excited that our small school district is well represented at the state level of OSAA. I find this committee to be an extremely rewarding committee to participate in, as its main goal is to create opportunities for all students in the state of Oregon.
